4 Duty of diligence by the user

The appropriate use of the provided information is laying in the responsibility of the user. Therefore Lignum provides additional definitions on the website.

1 Disclaimer

The author assumes no guarantee for the correctness, accuracy, timeliness, reliability or completeness of the information provided.

Lignum accepts no liability for the accuracy and timeliness of information. The main language of the site is German, all other languages are derived from it, and can also contain incorrect translations. Tangible or intangible liability claims for damages against the author and the operator arising from the access, the use and application of the information will be excluded, as well as damage caused by misuse of the connection or technical disruption.

All information is indicative and not binding. The information provided is periodically reviewed in respect of their timeliness and will be adjusted as needed. The author explicitly reserves the right to change, add or delete, individual parts or the entire component catalog without prior notice as well as the possibility to close the publication temporarily or definitively. The validity of user-stored printed records have to be checked on the website.

5 Liability for links

References and links to third party websites lie beyond of our control. We disclaim all responsibility for such websites. Access and use of such websites shall be at the user's own risk.

6 Copyright

The copyright and all other rights relating to texts, illustrations, photos or other files on the site are the exclusive property of Lignum-Holzwirtschaft Schweiz or of the rightholders mentioned or not mentioned. Possibly not recognized rightholders are kindly requested to contact [hansueli.schmid \(at\)lignum.ch](mailto:hansueli.schmid@lignum.ch). For the reproduction of the content mentioned above, a written permission of the copyright holder must be obtained in advance.

7 Data protection

Based on Article 13 of the Swiss Federal Constitution and the data protection laws of the Swiss Confederation (Data Protection Act, DSG) everyone has the right to privacy and to protection against misuse of their personal data. We comply with these provisions. Personal information is kept strictly confidential and not sold to third parties nor disclosed.

In close cooperation with our hosting provider, we strive to protect the databases as well as possible against unauthorized access, loss, misuse or falsification.

When accessing our website the following data in log files are stored: IP address, date, time, browser request and general information transmitted to the operating system, respectively.. Browser. This usage data forms the basis for statistical, anonymous evaluations, so that trends can be identified, to enable us to improve our services accordingly.

8 Project partners

The Lignum component catalog is a result of the Lignum project "Sound insulation in wood construction" in collaboration with the EMPA and the Bern University of Applied Sciences Architecture, Wood and Civil Engineering and involving key organizations and industrial partners in the timber industry. The project is largely supported by the Federal Office for the Environment, Action Plan wood.
